Work Experience

Frontend Web Developer at Beyond The Conversation, Vancouver, BC, 2019

Worked with a team of developers and collaborated with UX/UI designers to build customized WordPress website for Beyond The Conversation organization.

Part-time Bookkeeper at Spice Management Group, Delta, BC, 2019-2020

Processed accounts payable/ receivable, prepared bank reconciliations, processed arrears letters and posted journal entries using the QuickBooks program.

Accounting Intern in the High-Tech Division at the Accountant Office PWC Israel, Tel Aviv, 2016

Audited financial statements for private and start-up companies in Hi-Tech, Software, and other fields and prepared financial statements and tax adjustment statements in accordance with IFRS, US and Israeli GAAP.

Administrative Receptionist at the Accountant Office PWC Israel, Jerusalem, 2014-2015

Front Desk Receptionist at The Second Authority for Television & Radio, Jerusalem, 2010-2013

Military Service as Data Clerk in the Israel Defense Forces, Jerusalem, Israel, 2007-2009

Generated sensitive and confidential data and information reports from a unique computer program and provided professional service and support for officers and commanders.

Education

RED Academy, Vancouver, Canada, 2019-Today

Full-stack Developer Student, Work-Study Program.

During my studies at RED, I have worked on several projects using WordPress as a CMS, implemented a mobile-first responsive layout, used PHP, JavaScript, jQuery and fetched data using REST API. I have built apps with React and Meteor, cross-platform mobile apps with React Native and used GraphQL for its client-facing API.

Hebrew University of Jerusalem, Jerusalem, Israel, 2010-2015

B.A in Accounting and CPA studies.

International Academy of English, Las Vegas, Nevada, USA, 2018

Certificate of Completion of the Intensive English Program.
